A Joyful Conclusion and an Upcoming Celebration

AsSalaamu Alaikum Wa Rahmatullahi Wa Barakatuh.

Alhamdulillah, by the grace of Allah_(SWT), we are approaching the end of a truly productive and rewarding school year. It has been a year filled with significant academic achievements, personal growth for our students, and a strong sense of community.

We are deeply grateful for the hard work of our dedicated teachers and staff, the unwavering support of our parents, and the continual enthusiasm of our wonderful students. As we look ahead, our focus turns with great pride and anticipation to our **Class of 2026**. We are now preparing for their graduation ceremony, a milestone event that honors their dedication and accomplishments.

In Shaa Allah, we will celebrate the graduation of the Class of 2026 on *Wednesday, May 20, 2026*. All graduating families will be invited to join us for this special occasion. Please save the date; formal invitations with detailed information regarding the venue, time, and program will be distributed shortly.

We look forward to coming together as a school community to commemorate this important step in our students' journeys. This ceremony is not just an end, but a beautiful beginning, and we are excited to witness the bright futures that await our graduates.

May Allah_(SWT) accept our efforts and continue to guide our students on the path of knowledge and righteousness.

**WARMEST REGARDS,
NAZIA M. JALALI, M.ED.**

The Furqaan Focus: Brotherhood

As April comes to a close, we are grateful for the many moments that brought our school community together. Our students' participation in MIST and the enchanting Mystical Night were among the month's highlights, providing meaningful opportunities to showcase creativity, build confidence, and strengthen their connection to their faith and one another. We extend our heartfelt thanks to our staff and volunteers for their time, energy, and dedication in making these events a success.

Theme of the Month: Brotherhood

Throughout April, our school community focused on the value of Brotherhood. Students were encouraged to support one another, demonstrate kindness, and build positive relationships rooted in respect and care. We also encouraged families to continue fostering this spirit at home by promoting empathy, cooperation, and a sense of responsibility toward others.

By nurturing these values together, we help cultivate a unified and compassionate community where everyone feels a sense of belonging.

May Allah (SWT) strengthen our bonds, increase us in sincerity, and accept all of our efforts.

Principal's

Dua

O Allah, bring our hearts together, reconcile between us, guide us to the paths of peace, and deliver us from darkness into light. Protect us from indecency, both open and secret. Bless us in our hearing, our sight, our hearts, our spouses, and our offspring. Accept our repentance, for You are the Acceptor of Repentance, the Most Merciful. Make us sincere for You, in opposition to those who oppose You, and in alliance with Your allies.

STUDENT HIGHLIGHTS

SCIENCE FAIR

Celebrating Aiza Shehzad

It is with immense pride that we celebrate Aiza Shehzad of Grade 12 for her outstanding achievement in reaching the state-level science fair with her innovative project, "Sugar Shift," and for securing the Silver Award. This accomplishment is a testament to her exceptional dedication, intellectual curiosity, and the countless hours of meticulous research and experimentation she invested. Her success on such a competitive platform highlights not only her deep understanding of scientific principles but also her ability to apply them to a creative and impactful investigation. We also extend our heartfelt congratulations and appreciation to her instructor, Ms. Fauzia Ahmed, whose expert guidance, unwavering support, and mentorship were instrumental in nurturing Aiza's talent and steering this project to excellence.

CHARACTER DAY FUN

Our Character Day was filled with excitement, creativity, and big smiles all around! Students came dressed as their favorite characters, bringing stories to life right in our hallways and classrooms. From imaginative costumes to enthusiastic participation, it was clear that everyone had a wonderful time.

Beyond the fun, the day was a great opportunity for students to express themselves, build confidence, and enjoy a sense of community with their peers. Laughter and joy were everywhere, making it a truly memorable experience for all.

MYSTICAL NIGHT

Alhamdulillah, our Mystical Night was a truly beautiful and memorable evening, filled with reflection, inspiration, and a strong sense of community. Our students demonstrated exceptional effort and dedication, presenting their talents with confidence, poise, and sincerity. Their performances reflected not only their hard work, but also their commitment to excellence and love for what they do.

A particularly meaningful highlight of the evening was the crowning of our new Hafithas, Fatima Sayeed and Rida Ali. This remarkable accomplishment is a testament to their perseverance, discipline, and deep connection to the Qur'an. Their journey serves as an inspiration to their peers and a proud moment for our entire community. We ask Allah (SWT) to continue to bless them, preserve their memorization, and allow them to live by and share the teachings of the Qur'an throughout their lives.

Events like Mystical Night remind us of the importance of nurturing both talent and character in our students. We are immensely proud of each and every student who contributed to making the evening so special. Their enthusiasm and spirit truly made the night unforgettable.

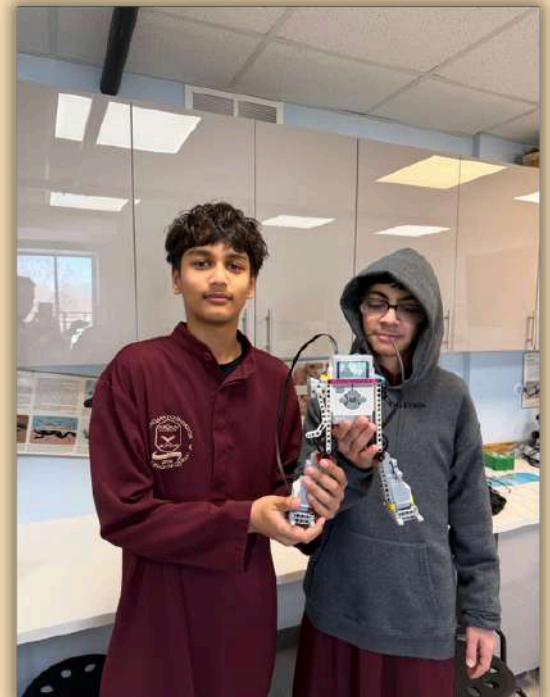

ROBOTICS CLASS

Our Robotics class continues to inspire curiosity, creativity, and innovation among our students! Throughout the program, students have been actively engaged in designing, building, and programming their own robots, turning ideas into real, working creations.

From problem-solving challenges to hands-on collaboration, students are developing critical thinking and teamwork skills in an exciting and dynamic environment. It has been wonderful to see their confidence grow as they test, adjust, and improve their designs.

Most importantly, our students are having a great time exploring the world of technology and engineering. We are proud of their hard work and can't wait to see what they create next!
